

WHAT IS MOST IMPORTANT FOR JACKSON HOLE TO BE AGE FRIENDLY?

Please rank the following with #1 being the most important

- ___ Older people are specifically included in community activities.
- ___ Printed information, including official forms & notices, has large lettering.
- ___ Outdoor seating is plentiful, well-maintained and safe.
- ___ Pavements are non-slip, wide enough for wheelchairs & have dropped corners to road level.
- ___ Older people are visible in the media and depicted positively.
- ___ Sufficient affordable housing is available and close to services and the rest of the community.
- ___ Employment and volunteer opportunities are available and promoted for older people.
- ___ Pathways are multi-use and multi-age friendly.
- ___ Health services are nearby and affordable.

Comments: _____

Thank you!
