

From the Desk of Becky Zaist, Executive Director

April is National Volunteer month in the United States. This month is dedicated to honoring all of the volunteers in our communities as well as encouraging volunteerism throughout the month. Organizations in Jackson & Teton County are fortunate to have dedicated volunteers to help us accomplish our missions – and the Senior Center is no exception! We are blessed with volunteers in so many different capacities. I particularly want to give a “shout out” to our incredible Board of Directors. The one common reason that these 9 individuals have chosen to serve on our Board of Directors is their strong belief in the importance of what we do at the

Senior Center to enhance the lives of seniors in our community!

A board member once told me, “a good board member brings work, wisdom and/or wealth to the organization”. Board members have fiduciary responsibility for the Senior Center. They take on difficult issues, provide valuable insight and steer the course for the future. They care about our community and its seniors. They serve on committees, attend events, and do many “behind the scenes” activities that help to make Senior Center services great.

I encourage you to get to know them, if you don't already, and thank them for all they do for the Senior Center.
