

Help us get our outdoor classes off the ground! This will be a trial class, and we hope to add more offerings in the coming weeks! Here's what you need to know:

- Some classes are held in May Park and some in the Senior Center Parking Lot. **Please plan to meet where the class is held.** The Senior Center is not open for in-center activities so the restrooms will be unavailable. There is a porta-potty in May Park that you can use.
- You're encouraged to **bring your own equipment if you have it.** Please see the fitness calendar for what you will need for your specific class. Instructors will be bringing equipment from the Senior Center for those that need it, and following CDC sanitizing guidelines following the class before she returns it to the Senior Center.
- You will be required to **sign a waiver that will be passed out at the beginning of class.** The instructor will give further instructions as to what to do with the waiver when you're finished.
- You will be **required to prepay for the class through our punch card system.** If you need to, you can purchase cards over the phone with a credit card. Hannah will be available to help answer questions about how many punches you have left on the first day of the class. Senior Center staff will take care of the punch card part when we receive the attendance from the instructor.

IMPORTANT: At this time, we are increasing the price per class to a suggested contribution of \$5. We will honor any punch cards that you have on file and moving forward, you can purchase a 10 class punch card for \$50.

- By attending and signing our waiver you are agreeing to maintain the appropriate 6 ft of distance between yourself and others at all times during the class.
- **In case of inclement weather, the class will be canceled.** We are not open for activities in the building until further notice.
